## HELP WANTED-MALE.

WANTED-Construction and repair expert electrical. An examination of applicants will be held at the New York Hotel, Washington, D. C., May 10, 1901, for construction and repair expert electrical at \$2.00 per diem. Applicants should possess knowledge of the principles of electrical and magnetic laws, the principles of design, construction, and maintenance of electrical apparatus, dynamos, motors, etc., as well as the various calculations, etc., in connection therewith. The examination will also cover the practical knowledge of applicants concerning the details of electrical installations as applied to naval vessels and the modern methods of the electrical distribution of power for industrial purposes. The examination will be open to all comers who can give evidence of experience in the kind of work for which they seek employment, and who are citizens of the United States. Applications will be addressed to the Commanding Navy Yard, Washington, D. C., and must be delivered to him on or before Thursday, May 9. No application received after that date will be considered. Each applicant will state in his application his name, age, residence, citizenship, present position, previous employment or work done. The applications will be accompanied by evidence of citizenship and by a certificate from previous employers, as to character, habits of industry and sobriety, and skill and experience in work of the kind for which employment is sought. Secretary of the Navy. m-1
